GOALS OF MOMS & MORE

Parents are called to specific disciplines within the home when it comes to spiritual training. Moms & More helps mothers succeed in that role. This is accomplished through:

1. **Professing**—We want every mother to have a personal relationship with Jesus Christ and to grow in that relationship.
2. **Modeling**—We desire to help moms be models of Jesus Christ in their homes. This should be evidenced in our lives by serving sacrificially, willingly and joyfully.
3. **Teaching**—We will provide teaching times, where moms can learn how to be spiritual leaders in their homes. We will also teach God's Word to the children.
4. **Talking**—We will provide opportunities for moms to talk to other moms and be encouraged. You don't have to do mothering alone!

"He commanded our forefathers to teach their children, so the next generation would know them, even the children yet to be born, and they in turn would tell their children. Then they would put their trust in God and would not forget His deeds but would keep His commands."
Psalm 78:5-7
